**\*\*\*HEALTH NUGGET\*\*\***

Milk and other dairy products are the top sources of artery-clogging saturated fat in the American diet. Milk products also contain cholesterol. Diets high in fat, saturated fat, and cholesterol increase the risk of heart disease, which remains America's top killer. Cheese is especially dangerous. Typical cheeses are 70 percent fat.

Research shows that dairy products have little or no benefit for bone health. According to an analysis published in the *British Medical Journal*, most studies fail to show any link between dairy intake and broken bones, or fractures. In one study, researchers tracked the diets, exercise, and stress fracture rates of adolescent girls and concluded that dairy products and calcium do not prevent stress fractures. Another study of more than 96,000 people found that the more milk men consumed as teenagers, the more bone fractures they experienced as adults.

Regular consumption of dairy products has been linked to prostate cancer. Dairy is also associated with increased risk of lung cancer, breast cancer, and ovarian cancer in people with lactose intolerance.

## REPENTANCE

Repentance includes sorrow for sin and a turning away from it. We shall not renounce sin unless we see its sinfulness; until we turn away from it in heart, there will be no real change in the life.

There are many who fail to understand the true nature of repentance. Multitudes sorrow that they have sinned and even make an outward reformation because they fear that their wrongdoing will bring suffering upon themselves. But this is not repentance in the Bible sense. They lament the suffering rather than the sin. Such was the grief of Esau when he saw that the birthright was lost to him forever. Balaam, terrified by the angel standing in his pathway with drawn sword, acknowledged his guilt lest he should lose his life; but there was no genuine repentance for sin, no conversion of purpose, no abhorrence of evil. Judas Iscariot, after betraying his Lord, exclaimed, "I have sinned in that I have betrayed the innocent blood." Matthew 27:4
