HEALTH NUGGET – EFFECTS OF STRESS

Stress symptoms may be affecting your health, even though you might not realize it. You may think illness is to blame for that irritating headache, your frequent insomnia or your decreased productivity at work. But stress may actually be the cause.

Common effects of stress

Indeed, stress symptoms can affect your body, your thoughts and feelings, and your behavior. Being able to recognize common stress symptoms can help you manage them. Stress that's left unchecked can contribute to many health problems, such as high blood pressure, heart disease, obesity and diabetes.

Orange Cove Core Values: To Be a Mature Disciple...

- Refresh:** Be "Refreshed" by the baptism of the Holy Spirit moment by moment. "For John truly baptized with water, but you shall be baptized by the Holy Spirit not many days from now." Acts 1:5. Jesus dwells in the hearts of His Children through His Spirit. By asking Him, after receiving forgiveness, the Holy Spirit comes and lives in us—His holy temples.
- Abide:** Jesus said, "I am the Vine, you are the branches. He who abides in Me, and I in him, bears much fruit; for without Me, you can do nothing." John 15:5. It is through the Word that Christ abides in His followers. Spending time alone with God before the day starts in Bible study, prayer and meditation gives Divine power and strength through the Spirit to those who do it.
- Share:** The example of the early Christian Church in Acts 2 demonstrates how God intended for believers to meet together in church (large groups) and homes (small groups). Meeting together & sharing, ingrains the truth of God's Word and the teachings of Jesus in the believers' lives.
- Give:** God invites all His disciples to give of their time and their means to further His Kingdom. "Do not lay up for yourselves treasure on earth . . . lay up for yourselves treasure in heaven." Matt 6:19. Giving allows a disciple to participate in God's Holy Nature and neutralize the selfish tendencies within his or her sinful nature.
- Mentor:** The great controversy between good and evil is fierce and complex. God ordained believers to encourage, support and care for one another in close, "family-like," relationships. Every disciple should be mentored by a more mature, experienced disciple and should, in turn, mentor a less experienced younger disciple than themselves. This process solidifies the experience of each disciple.
