Devotional Thought: Fit for Heaven
This devotional is brought to you by Pacific Press® Publishing Association
God never intended the church to be the means of salvation for its members. The risen Christ is the God-man in charge of bestowing the gift of His salvation through the Spirit; this is a work never entrusted to humans or to a church, for it is a re-creative work that only the Creator God can accomplish.
Because we have the only authorized High Priest on our side, we should not worry about final events on planet Earth, when nearly the whole world will worship Satan. No end-time decree should concern us. Christ allows Satan to expose his rebellion, but Christ is in control. Resting in Him alone fits us for heaven.

**Orange Cove Core Values: To Be a Mature Disciple...**

- Refresh:** Be "Refreshed" by the baptism of the Holy Spirit moment by moment. "For John truly baptized with water, but you shall be baptized by the Holy Spirit not many days from now." Acts 1:5. Jesus dwells in the hearts of His Children through His Spirit. By asking Him, after receiving forgiveness, the Holy Spirit comes and lives in us—His holy temples.
- Abide:** Jesus said, "I am the Vine, you are the branches. He who abides in Me, and I in him, bears much fruit; for without Me, you can do nothing." John 15:5. It is through the Word that Christ abides in His followers. Spending time alone with God before the day starts in Bible study, prayer and meditation gives Divine power and strength through the Spirit to those who do it.
- Share:** The example of the early Christian Church in Acts 2 demonstrates how God intended for believers to meet together in church (large groups) and homes (small groups). Meeting together & sharing, ingrains the truth of God's Word and the teachings of Jesus in the believers' lives.
- Give:** God invites all His disciples to give of their time and their means to further His Kingdom. "Do not lay up for yourselves treasure on earth . . . lay up for yourselves treasure in heaven." Matt 6:19. Giving allows a disciple to participate in God's Holy Nature and neutralize the selfish tendencies within his or her sinful nature.
- Mentor:** The great controversy between good and evil is fierce and complex. God ordained believers to encourage, support and care for one another in close, "family-like," relationships. Every disciple should be mentored by a more mature, experienced disciple and should, in turn, mentor a less experienced younger disciple than themselves. This process solidifies the experience of each disciple.
